

# Thank You

January 2009

Dear *Employees, Commissioners Office,*

Haven House Food Bank has had another busy year. Your time, funds and or food donations from all over this Bitterroot Valley and beyond have kept this organization on the move. This was our 27<sup>th</sup> year in serving the southern half of Ravalli County, and we are very proud of the service we provide for the citizens of this valley. **Thank you** from each of our **35 volunteers** who worked an average of **550 total hours** each month in 2008.

Listed below are the year end stats we want to share with you to show just how your generous contributions worked for us in 2008.

HH purchased- 51 tons of food from Montana Food Bank  
Network, Missoula and Hamilton  
grocers with your funds

HH gleaned - 73 tons of dated food from local grocers

HH received - 66 tons of donated food from the government, churches,  
schools, businesses, organizations,  
personal gardens and individuals

A total of **190 tons** of food came in and then went out our doors.  
We prepared **5,000** food boxes serving over **15,500** people.

Our records show that you donated *92 lbs.* to  
Haven House in 2008. We absolutely could not accomplish this annual task  
without your loving concern.

Again, thank you...thank you...thank you!

Sincerely,  
Haven House Food Bank

*Judy Williams*
